
CS 346: Meeting Minutes

Date: Nov 27th

Team: 211

Present: All

Absent: None

Agenda

- Discussing about the issues of recurring events.
- Discussing about potential bonus marks.

Notes

- Recurring events occupy too much space, and we cannot store all of them in the database.
- Some team member is responsible for the installer, and some team members is responsible for the documentation.
- We can design a help menu page in the app to gain bonus mark.

Decisions

- We decided to think about the solution of storing recurring events and discuss it during the next meeting.

Actions

- Think about how to solve the problem with storing recurring events.
- Implement the help menu page to gain bonus mark.
